

Wyoming Congressional Award Golf Tournament Jackson, WY

For some of us it will be our 4th year together in Jackson, and Sally and I just can't wait! Wyoming remains the ONLY state to have a Council, and we hope that you agree that supporting Wyoming youth on a local, personal level should continue.

When you say yes to investing in this statewide nonprofit, you are also saying yes to Gold Medal Scholarships, helping some participants and medalists overcome financial barriers to earning their Congressional Award, and making sure the EVERY young person has the opportunity to participate in this program. You are choosing to ensure that more youth like Gold Medalist KW can say this, "I knew I was making the right choice being a part of this program when I saw how everything I did affected those around me."

We've gathered feedback and are preparing a wonderful experience and a few surprises for you this year, so commit and contact us early to make sure you don't miss a minute.

Thank you,

Jarrah Compton
